Profile

Frontend Developer with 5+ years of experience building scalable, user-centric web applications using React, Next.js, and TypeScript. Skilled in crafting seamless interfaces, optimizing performance, and collaborating with cross-functional teams to deliver impactful solutions. Adept at translating complex user needs into high-quality designs and features. Actively seeking new opportunities to leverage my expertise in innovative projects.

Professional Experience

Frontend Developer, *Sendbox Software Technologies*
01/2020 – present
Nigeria (Remote)

- Spearheaded the development of a customer portal for a logistics platform, boosting user engagement by 25%.
- Designed an internal dashboard, enhancing shipment processing and tracking efficiency by 20%. Integrated real-time tracking, reducing customer inquiries by 25% and improving shipment visibility.
- Conducted A/B testing and iterative UX enhancements, achieving a 15% increase in user satisfaction.
- Developed custom data visualizations, streamlining decision-making processes.

Frontend Developer (Contract), *Conjure*
09/2024 – 11/2024
England, UK (Remote)

- Developed user interfaces for a greenhouse gas reporting platform using Next.js, Material UI, and Tailwind CSS.
- Enhanced data workflows with dynamic forms, progress bars, modals, and breadcrumb navigation, improving usability.
- Built data tables with filters for analyzing carbon emission data, ensuring transparency in emissions reporting.
- Collaborated with stakeholders to implement consistent UI patterns, including sign-out buttons, modals, and dashboards.

Frontend Developer, *EverySell*
02/2021 – 03/2022
Nigeria (Remote)

- Delivered a responsive e-commerce platform, driving a 40% sales increase in six months.
- Integrated third-party analytics tools, enabling data-driven decisions.
- Optimized API interactions, reducing page load times and boosting performance.
- Conducted A/B testing on UI components, resulting in a 15% increase in click-through rates.

Accountant II, *Federal College of Education (Technical)*
01/2014 – 10/2019
Lagos, Nigeria

Experienced accountant managing cash office, final accounts, and budgets across departments. Transitioned to software engineering, leveraging strong analytical and problem-solving skills in the tech industry.

Education

Bachelor of Science in Accounting, *University of Abuja*
Economics; Business Communication; Statistics; Financial Accounting

09/2006 – 10/2010
Abuja, Nigeria
